New Future for Marel Food Systems

Four in one

Marel Food Systems has experienced robust external and internal growth and developed into a global enterprise with a unified sales and service organization for four internationally known brand names, **AEW Delford**, **Carnitech**, **Marel** and **Scanvaegt**. Every one of these brands is a benchmark for consistent reliability and service.

Marel Food Systems offers a comprehensive portfolio of equipment and solutions that are fully capable of meeting the entire spectrum of requirements in food processing facilities. The four brands are ideally positioned to meet customers' wide-ranging and often complex needs.

We are innovative in everything we do and we provide outstanding new solutions and services to the food processing industry in order to create greater value for all our stakeholders.

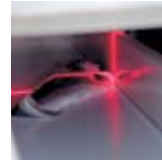

Fish, meat, poultry and more
