LINAK[®] 
WE IMPROVE YOUR LIFE

Flexible functionality and valuable accessories for treatment chairs

Imagine if your treatment chair could provide patients with a more convenient and secure treatment while saving nurses' time and resources as well as secure a fast response in case of emergencies. With an electric actuator solution matched with the OpenBus™ technology from LINAK, there are several ways to increase the value of treatment chairs.

How LINAK provides value for patients:

- Increased comfort with multiple positioning
- Provide reading light
- Charge smart phones, MP3 players and other USB devices for a more comfortable treatment time
- Built-in scale to weigh the patient in the chair

How LINAK provides value for nursing staff:

- Simultaneous drive to enable quick adjustment of the chair
- Quick release actuator function to ensure fast response in case of emergency
- OpenBus accessory gives notice of accidental spillage of liquids

Facts

LINAK has more than 30 years of experience within the actuator business and can provide electric actuator solutions of very high quality that enable you to create a unique and differentiated product via our OpenBus technology.

Our solutions have been developed and tested as systems. This ensures the functioning and the safety of our systems.

LINAK offers intelligent system solutions via OpenBus™

LA31 Linear Actuator

- Up to 6000 N in push
- Low noise level

Actuator with Quick Release

The quick release actuator function ensures fast response in case of emergency e.g. CPR.

OpenBus control boxes

- Add on accessories possible e.g. charging of smart phones, MP3 players and other USB devices
- Possibility of customised software

SCO scale

- Fast and easy weighing in the chair

BL1 columns

- Aluminium column
- Low noise level
- Up to 2000 N in push
- Available in three different versions - Standard, Medium and Small built-in dimension

HD80 hand control

- Battery or mains connected indicator to ensure smooth operation

Global presence

LINAK has a well-developed sales and service organisation in Europe, America, Asia and Australia. Therefore, we can assist you and your customers locally, under the global sales concept idea: **Be global, act local**

Terms of use

The user is responsible for determining the suitability of LINAK products for a specific application. LINAK takes great care in providing accurate and up-to-date information on its products. However, due to continuous development in order to improve its products, LINAK products are subject to frequent modifications and changes without prior notice. Therefore, LINAK cannot guarantee the correct and actual status of said information on its products. While LINAK uses its best efforts to fulfil orders, LINAK cannot, for the same reasons as mentioned above, guarantee the availability of any particular product. Therefore, LINAK reserves the right to discontinue the sale of any product displayed on its website or listed in its catalogues or other written material drawn up by LINAK.

All sales are subject to the Standard Terms of Sale and Delivery for LINAK. For a copy hereof, please contact LINAK.
