

Data center

Edition 2009

HUBER+SUHNER

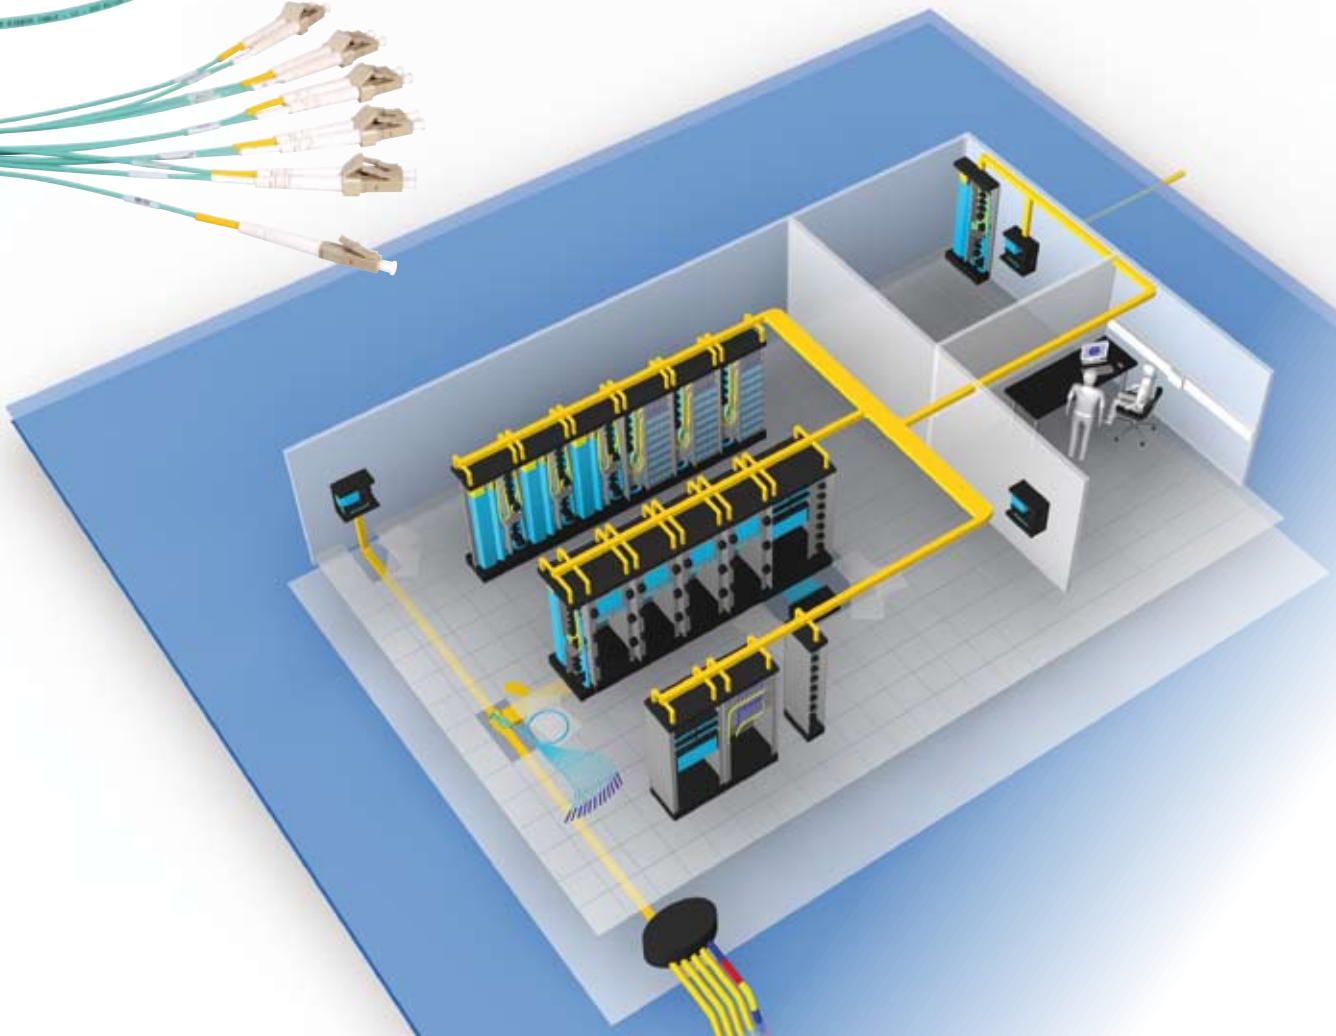

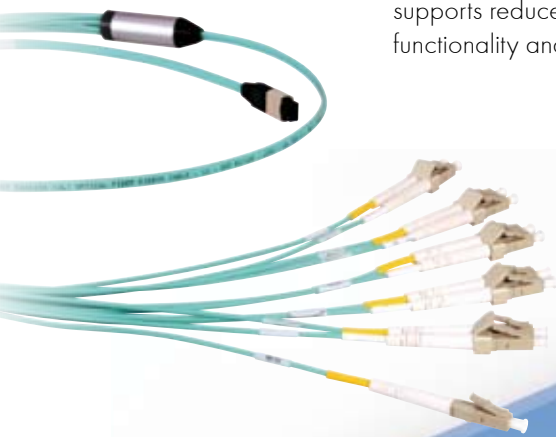

HUBER+SUHNER is a leading global supplier of components and systems for electrical and optical connectivity. With headquarters in Switzerland, 18 group companies and over 100 agencies worldwide, we are close to our customers. We offer technical expertise in radio frequency, fibre optics and low frequency.

At the heart of our offering is a broad range of connectivity solutions that can be relied on to meet high quality standards, backed up by flexible, dependable services with fast response time's world wide.

Data centers are at the core of modern business

Fiber optics represent the most robust, reliable and scalable medium for addressing the needs of modern data centers and at HUBER+SUHNER, we leverage over 25 years of experience in creating tailored fiber optic solutions for a global market.

Our «LISA DATA CENTER» portfolio comprises «end-to-end» fiber management systems which are modular and scalable whilst offering the highest packing-density on the market. Combined with our industry leading cable systems, LISA represents high performance products which are easy to install, simple to maintain and quick to deploy. This philosophy supports reduced operational costs without compromising business-critical functionality and reliability.

Portfolio

Main Distribution Area (MDA)

- High Density Optical Distribution Racks
- Fiber Containment
- Fiber Trays
- MPO/MTP® Structured Cabling

Zone Distribution Area (ZDA)

- Wall- and Floor Cabinets
- Subracks
- Modules
- Cable Systems

Equipment Distribution Area (EDA)

- Modules
- Fiber Management Accessories
- Customised Cable Systems for Equipment racks

Outlet Distribution Area (ODA)

- Cables
- Field Termination
- Cable Systems and Field Kits

Professional Services

- Project Management and Consultancy
- Planning and Design
- Installation
- Certified Training Program

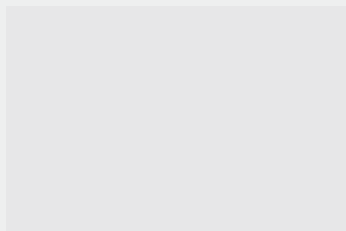

«Protect your investment with future-proof technology from leading fiber optic experts»

HUBER+SUHNER is certified according to
ISO 9001, ISO 14001, ISO/TS 16949 and IRIS.
